

Easy Peasy Peanut Butter Cookies

Servings: **0 servings**

Ingredients

2 cups peanut butter
2 cups sugar
2 eggs, slightly beaten
Optional add ins (I used peanut butter chips)

Directions

Mix all of it together to the point that you can scoop it and roll into a ball. Roll into a ball about the size of a small walnut and place on an ungreased cookie sheet.

With a fork press a crisscross pattern on the top of each one. You will need to wet the fork in warm water after each cookie. You can sprinkle the tops with a little more sugar, or not. It's up to you! Place in a preheated 350 degree oven for 10 to 12 minutes. Don't over bake or they will get too hard.

This recipe makes 2 dozen cookies.
