

Grilled Cheese Roll-Ups

Servings: 0

2 servings

Ingredients

- 6 slices bread
- 1 tablespoon butter
- 6 slices cheddar or American cheese

Directions

Cut the crust off each slice of bread. Use a rolling pin to flatten each piece of bread

Place a slice of cheese onto each flattened slice of bread. Roll each slice tightly with the cheese on the inside until they're in nicely rolled up tubes. Squeeze them tight so they don't unroll.

Add butter to a large skillet and melt it on medium heat. Place roll-ups on the skillet. Using tongs, occasionally rotate the roll-ups until every surface is golden brown.
