

# B'oats Bites For Dogs

Servings: 0

---

## Ingredients

- 2 large bananas, mashed
- 1 cup quick cooking oats

Sizes vary so use enough bananas to equal 1 cup. I've made these with fresh bananas and ripe bananas with the same sweet results.

Can also make with:

- 1 large peach or
  - 1 cup applesauce or
  - 1 cup pumpkin or
- instead of the bananas

---

## Directions

1. Mix together in a medium size bowl. I find it easiest to use my hands to really coat all of the oats.
2. Drop small teaspoonfuls onto a parchment lined baking sheet and press down lightly.
3. Bake at 350 degrees for 10 to 12 minutes. Remove to a cooling rack
